

## Phoenix Rod and Gun Club Membership Report

Renewal notice was sent via email, USPS, and posted on the web to every member with contact information. 4 members reported they were moving out of state, and would not be renewing their membership. Six post cards were returned undeliverable and with no forwarding contact information, so these members were removed from the roster. As of August 31<sup>st</sup>, we have 492 current members and 290 that we are waiting to here from regarding renewal. Thank you to everyone that renewed early.

If your gate codes suddenly quits working please contact me. Gate codes that are not associated with current membership roster will be removed beginning October 1<sup>st</sup>.

It's early notice, but the annual membership meeting is scheduled for January 10, 2011. More information will follow as we approach the date. Candidates who plan on running for Director at Large include but are not limited to: Scott Milkovich, Willie Hall, Tim Milkovich and Richard Yost. Thank you the great turn out at the last meeting.

George Lyle

Membership Secretary
